Business—There was some discussion regarding an “overnight” in August to do Virginia Vineyards. It was suggested that this year we go to the Virginia Wine Festival and take some time to plan for doing individual vineyards in 2006. Walt Rachele and Bill Eisberg will be working on this. Those interested in joining in the trip should contact them. More to follow.

The Tasting—It was a wonderful tasting. Bill Eisberg did an excellent job researching the wines. It was a blind tasting with a bit of a twist. We needed to identify the country and the vineyard of each wine. John Landon and John Jamison both won. They each scored 10 out of 12 possible points! I was impressed—this was not an easy task. Thanks to Gary

The next tasting will be June 12, 2005 at 2:00 PM at the Browns'. It will be outside, so bring your lawn chairs! Nan Slick will be presenting “Wild, Wonderful and Wacky Whites.” Please reserve your spot at the Browns' home by calling them by June 8. Directions to the Browns' home are on the back [of the paper version].

Pavlis for some of the Bourgognes. Thanks, too, to the Barbours for opening their home to us once again. The food was marvelous and the weather was great. What a great way to spend a Sunday. Good friends, wine and food. It can't get much better than that.

P.S.—For those who fell in love with the cheese that Fred Seymour brought to the tasting, it was “Epoisses, Appellation d'origine, Berthaut.” It was so good!
